

SUITS FILED ON CATTLE SALES HERE

Seller Claims "Cold" Checks Were Given Him—Other Actions Filed In Circuit Court

Two suits for the value of live stock sold at Richmond court day have been filed in the office of Circuit Clerk Jas. W. Wagers, and because of the fact that feed is high and the value of the stock might deteriorate while they are being held for final adjudication of the cases, Judge Shackelford has entered orders for their sale by the sheriff, if satisfactory indemnity bond is given by the plaintiff.

Gilbert Smith brought suit against W. M. Campbell, to whom he claims to have sold 23 cattle for \$816.20. He alleges that Campbell gave him a check for that amount upon the Fourth National Bank, of Cincinnati, when he had no funds to meet the check. The petition says that the stock is now at the East End Stock Yards in Richmond and will soon be moved unless attachment was granted to hold them. This attachment was granted pending final decision in the case. Smith asks judgment for \$816.20, the amount he sold the cattle for.

Attorney G. Murray Smith who brought the above suit, also filed a suit against Campbell, on behalf of Ed Lawrence, who claims to have sold him 16 cows here court day for \$601.87, and that his check for same drawn on the same Cincinnati bank, came back "cold." A similar order was issued in the above case.

Through Attorney A. R. Burnam suit has been filed against W. G. Yancey, of Clarksville, Va., by the Madison Tobacco Warehouse Company for \$628.85. The Home Tobacco Warehouse Company is made a party to the suit, which alleges that Yancey moved five baskets of tobacco, which he had sold at the Madison House to the Home House, and sold it there. The five baskets are alleged to have weighed and sold as follows: one weighing 155 pounds at \$1 a pound; one weighing 200 pounds at 77c; one weighing 175 pounds at 80c; one weighing 140 pounds at 80c; one weighing 145 pounds at 59c; a total of \$628.85. Judgment is asked for this amount.

Through Attorney E. S. Wiggins, the J. B. Colt Company, of New York, has filed suit in circuit court here against W. J. Gooch, of the Coyle section, for \$279.10, the price of an acetylene lighting plant it claims to have sold him. Cal White, a storekeeper of the Brookston section, filed a suit against I. H. Woosley, for \$223.96 for merchandise furnished Marvin Kirby, a tenant on Woosley's place, which White claims he did upon order of Woosley, the sum sought being balance unpaid for for. A. R. Burnam is his attorney.

Attorney Burnam also filed suit for R. M. Ross against C. L. King and M. C. Coy, on two notes, one for \$208 and the other for \$132.75. Mr. Coy is made party defendant because Mr. Ross alleges that he has reason to believe that Mr. Coy has some money belonging to King.

The stock buying firm of V. A. Leer & Company, of Garrard county, which the petition says consists of Messrs. V. A. Leer, Joseph Robinson and Alex. Doty, file suit against the U. S. Railroad Administration and the L. & N. Railroad for \$660, alleged to be damage sustained by a car load of horses and mules shipped by plaintiff from Richmond to Buck Ky., the damage being caused by negligence and delay in transporting the animals. Attorneys L. L. Walker, of Lancaster, and C. C. Wallace, of Richmond, representing the stock firm.

Through Attorney C. C. Wallace, of this city, Joseph Mokwa, files suit against the Berea Bank & Trust Co. for \$2,500 damages, it is claimed in the petition that the bank failed and refused to honor checks drawn by Mokwa, when he had ample funds on deposit with it to meet the checks. Mokwa is reported to be the head of the broom making department of Berea College.

SAY THEY'RE GOING TO RAISE THE MONEY

Lancaster Pike Farmers Seem Determined To Land Model Federal Highway

Farmers along the Lancaster pike have gone to work with a will to raise the money needed to assure the Federal Highway.

As a result of the meeting at the court house Thursday afternoon, dozens of the best citizens of the county who live along the section which will be most favored by the model road, declared that they will double their subscriptions and go out and assist in getting others to contribute enough to guarantee Madison's part of the money that must be raised to meet what the state and county are giving as well as the federal government.

It developed that about \$7,000 has already been subscribed by private subscription. This means about \$20,000 more is needed, but from the determination with which the men present Thursday met the situation, many believe that this sum will be secured without the slightest trouble. The solicitors have gone actively to work, and say they are going to get the money.

Deals With Costs of Suits Over Inheritance Taxes—Much Business In Legislature

Frankfort, Ky., March 12.—Efforts of Senator Carter, of Elizabethtown, Democrat, to abolish the office of oil inspector in Kentucky, and thereby to save to the state \$200,000, were defeated by a vote of 18 to 17.

Senator Carter said this was "one of the very useless offices that had been overlooked by Governor Edwin P. Morrow." In his own county (Hardin), Senator Carter said a fourteen-year-old girl is oil inspector.

Immediately following defeat of the Carter bill the Senate appropriated \$2,018.16 to pay the expenses of the legislature committee which investigated penal and charitable institutions of the state.

Senator Simmons broke up the Republican unanimity in the Senate when he obtained the aid of Senator Stoll to have printed the substitute for the bill to put telegraph and telephone companies under the State Railroad Commission.

The Senate supported the Rules Committee when it refused to bring out the bill of Senator Burton to regulate the law of distribution. Senator Burton moved that the bill be taken from the Rules Committee and placed on its passage.

Senator Harris said the reason the Rules Committee declined to bring out the bill was because the bill would change a law in Kentucky a century old.

Other reasons were attributed to the Rules Committee by Senator Burton, but he did not say what they were. The motion was defeated, 19 to 17, Senator Stoll voting with the Democrats. Senator Burton afterward apologized to the Rules Committee, saying that he had been mistaken as to the wording of the bill. The bill of Senator Rives to regulate the purchase of property by the state, if sale is before the legislature, was passed without opposition.

Husbands and fathers who fail to support the wife and minor children are subject to a fine and jail sentence under provisions of a bill of Senator Simmons, which was passed unanimously by the Senate.

Some produce dealers advertise "We pay the top price for poultry and eggs all the time," and others state "Highest price paid for produce," and a good part of the time they are several cents under my prices and some few times pay as much and as far as I have been able to find out never any more. The people know I pay just as I advertise "The Top Price," that's why L. T. Wilson's produce house is the busiest spot in Richmond. I lead, others follow, when they can.

"Certain Things"
Speaking before the Republican State Convention in Louisville last week, Mr. A. T. Hert, the republican National Committeeman for Kentucky, delegate from the state at large to the National Convention, and, in brief, the Republican party in the state, said:

"Of course, boys, you know I cannot make a speech, but all of you boys do know that I can do certain things up at Chicago, and help Will Hays."

We wonder why the republican convention was not taken into Mr. Hert's confidence as to what the "certain things" are that he is to do at Chicago. He was afraid to let it instruct its delegates for a particular candidate for the Presidency, because "maybe they might interfere with these 'certain things.'" He was afraid to have men like Judge O'Rear, and Gov. Willson and Mr. Yerkes on the delegation, because perhaps they might not agree to "certain things."

"Certain things" is rather an elastic phrase. It might contemplate a great deal. Will one of the "things" be to connect with a Cabinet job?

Says Women Deplore Men's Political Methods
(By Associated Press.)

Chicago, March 12.—Women are going into politics with a different attitude of mind than the men, Ida M. Gibson, of the women's bureau, National Democratic Committee, said today after a speaking tour of Indiana and Illinois.

"Women of both parties realize that they have a lot to learn," she said, "and they are more open minded than men."

They deplore the methods often used by men in politics and are more inclined to be fair. On my trip I spoke to republican women in republican clubs and a number of these women told me that in spite of their party they were in favor of an open mind at the polls.

"The suffragists aren't the only ones who are in for politics. In fact many of the women who are assuming leadership in Illinois and Indiana were never connected with the suffragist movement. Politicians will be surprised when they see what a large number of women are taking up their duties as voters."

CARBON!

Rid System of Clogged-up Waste and Poisons with "Cascarets."

Like carbon clogs and chokes a motor, so the excess bile in liver, and the constipated waste in the bowels, produce foggy brains, headache, sour, acid stomach, indigestion, sallow skin, sleepless nights, and bad clods.

Let gentle, harmless "Cascarets" rid the system of the toxins, acids, gases, and poisons which are keeping you upset.

Take Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced. Cascarets never gripe, sicken, or cause inconvenience. They work while you sleep. A box of Cascarets costs so little, too.

TWO YEARS IN BED AND ROLLING CHAIR

Mrs. Wilson Gave Up Hope—Gains 25 Pounds On Tanlac and Is Now Well Woman

"For two years I spent all my time either in the hospital, in bed or in a rolling chair, and during that time I was given up to die, and I don't guess I would be here now if it hadn't been for Tanlac," said Mrs. E. O. Wilson, Mrs. Wilson is well known in Atlanta, Ga., her husband having been employed by The Constitution for a number of years.

"I was a sufferer from chronic indigestion," continued Mrs. Wilson, "and don't guess anybody had to go through with what I did. I was very weak and nervous, and at times had those dreadful smothering sensations to the point of fainting. I had dreadful headaches, severe pains in my back and over my kidneys, and my joints ached all the time. For two years I had to live entirely on boiled milk, toast and soft boiled eggs, and even that didn't digest well, and would sour on my stomach. I didn't know what it was to get a good night's sleep. I took one kind of medicine after another until our house was almost filled with empty bottles, but instead of improving I was getting worse all the time. Finally they took me to the hospital for treatment, and I lay there for five long months, but even that didn't make me well. It was taking nearly every cent of my husband's wages to pay my doctor and drug bills—our drug bill alone amounted to \$14 or \$15 a month, and one doctor bill amounted to \$108.

"It looked like everything I had failed to help me, and I had about given up all hope when one day my husband brought a bottle of Tanlac home with him and asked me to take it. He said he had been reading and heard a lot of good things about it and didn't see any reason why it shouldn't help me. I was confined to my rolling chair when I began taking it.

"Do I look like an invalid now? I certainly don't feel like one, and I have actually gained 25 pounds on eleven bottles of Tanlac, and feel as well as I ever did in my life. I can eat anything I want—such things as meat, turkeys, hard boiled eggs don't hurt me a particle, and I sleep as good as I did when I was a girl in my teens. I can get about as well as anybody and just the other day I walked down town, and I was running around the neighborhood calling on my friends nearly all the time now. I haven't a pain about me. I believe I am the happiest woman in Atlanta, and I think I have a right to be. I think my recovery is almost a miracle, and every body in our neighborhood thinks the same."

Tanlac is sold in Richmond by Stockton & Son.

Born in 1839 Dr. Caldwell Still in His Office Daily

Wonderful vigor of the founder of Dr. Caldwell's Syrup Pepsin.
Millions now use his famous prescription

Physicians know that good health depends largely upon proper digestion and elimination and that much sickness results from constipation. No one knows this better than the "family" doctor, the general practitioner.

Dr. W. B. Caldwell of Monticello, Illinois, was and is a family doctor. The whole human body, not any small part of it, was his practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

Dr. Caldwell in the course of 40 years' practice, for he was graduated from Rush Medical College back in 1875, had found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year the preparation was first placed on the market. The picture of Dr. Caldwell that appears on the package was taken in that year.

The preparation immediately had as great a success in the drug stores as it previously had in the doctor's private practice. Today the third generation is using it.

Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it, for Dr. Caldwell's Syrup Pepsin is selling at the rate of over 6 million bottles a year.

Its great success is based on merit, on repeated buying, on one satisfied user telling another. There are thousands of homes in this country that are never without a bottle of Syrup Pepsin, and the formulator of that prescription is fortunately living to see its wonderful success.

Women, children and elderly people are especially benefited by Dr. Caldwell's Syrup Pepsin. While it is promptly effective on the most robust constitution and in the most obstinate cases, it is mild and gentle in its action and does not cause griping and strain. Containing neither opiates nor narcotics, it is safe for the tiniest baby and children like it and take it willingly.

Every drug store sells Dr. Caldwell's Syrup Pepsin. Keep a bottle in your home. Where many live someone is sure to need it quickly.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

"L'Apache" is the first Thos. H. Ince production made by Dorothy Dalton since coming to New York from the California studios. It will be shown Monday at the local theatres as a Paramount-Artcraft picture. One of the chief reasons Miss Dalton came East to make this picture was to be near the shops of the fashionable modistes of the metropolis. She plays two widely differential roles in "L'Apache." As a rich and extravagant young American girl in Paris, she is said to wear some of the most lavish and up to the minute gowns ever shown on the screen. No actress knows better how to wear clothes than this same Miss Dalton. Her other role is that of a daring Apache dancer in the Latin Quarter, held in bondage by a dissolute robber. The story abounds in dramatic climaxes, thrills, and a well-sustained love plot. A fine cast supports Miss Dalton.

WHY COLDS ARE DANGEROUS

Your are often told to "beware of a cold," but why? We will tell you. Every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases. People who contract pneumonia first take cold. The longer a cold lingers on, the greater the danger, especially from the germ diseases, as a cold prepares the system for the reception and development of the germs of consumption, diphtheria, scarlet fever and whooping cough. The quicker you get rid of your cold, the less the danger of contracting one of these diseases. Chamberlain's Cough Remedy has a great reputation as a cure for colds and can be depended upon. It is pleasant to take.

You can economize on your spring clothes

You're interested in that subject we know; because everyone likes the results of economy—the money saved. You don't always like the sacrifices that go with "economizing"

The nice thing about clothes economy is the fact that you don't have to "sacrifice." You buy better clothes; that's the answer—then you let the clothes do the economizing. All-wool wears longer; you don't have to buy so often; that saves for you.

We could sell you more clothes if we carried cheap ones; you'd spend more money with us. But we'd rather sell fewer clothes to you and know that every time you buy you get your money's worth.

EVANS BROS. MAKE GOOD AT MT. STERLING

The Mt. Sterling Sentinel-Democrat had the following of interest about the work there of two Richmond men:

It is with pleasure that we note the improvement in the service that is being rendered by the Mt. Sterling Laundry. Messrs. J. A. & O. C. Evans, who only a few weeks ago bought the business here have shown themselves to be hustlers. New machinery has been installed, a new truck added and the work that is now being sent out is of far superior quality than before these gentlemen took charge. A modern, well equipped laundry means much to a community and we are sure the people will be pleased to learn that we now have such an institution in our city.

This notice is written without suggestion from anyone and wholly on the writer's actual knowledge of conditions and his desire of lending encouragement and praise where it is justly due. Keep up the good work men, and Mt. Sterling will give you loyal support.

ADVANCED PRICE OF FARM LIGHT PLANT IS ANNOUNCED

But the Richmond Welch Co., Local Alley Light Dealers Offers Special Opportunity To Patrons Who Order Immediately.

There is no patriotic manufacturer or merchant but who is doing everything in his power these days to lower the cost of living and assist in bringing economic conditions generally back to a normal basis.

But, in spite of this desire, the actual shortage of many kinds of raw material, and the necessary adjustments in wage scale to give workmen the earnings to which they are entitled, has recently compelled the advance in price of some of the most essential products used by farmers.

Just recently the Ford Motor Co., an organization with a worldwide reputation for keeping prices down to a low level, announced a necessary increase of \$50 to \$100 on its various models, and now the Richmond Welch Co., local selling agent for the well known Alley Electric Light and Power Plant has received formal notification of an advance in price of \$45.00 to take effect soon.

The Richmond Welch Co., has been studying the market conditions carefully and realizing that such an advance would soon be absolute necessary, covered its requirements as far as factory production would permit, placing orders at the old price.

The Richmond Welch Co., still has a limited stock of these plants and on orders received before March 20th, it will give its patrons the advantage of the \$45.00 saving.

A census recently taken of American farms, shows that every progressive farmer soon expects to equip his home with electricity, if he has not already done so.

Those who now have reliable electrical equipment, find that in the advanced value of their property, and in the time, labor and actual money saved, a reliable electric plant soon pays for itself.

The far-sighted farmers of this community would do well to see the Richmond Welch Co., the local Alley Light dealer immediately.

SAYS SHE HAD "FLU" 3 TIMES WITHIN YEAR

System Badly Weakened As Result—Vola-Tonic Gave Her Strength.

Men and women who had influenza and experienced the weakened, run-down condition, in which the disease leaves the system, will know how Mrs. G. M. Rutledge who lives at 1021 Windsor street Cincinnati, O., said she had influenza three times and was in a seriously weakened condition as a result.

"The three attacks of influenza left me badly weakened, and ran down," Mrs. Rutledge said. "I had severe headaches constantly, and my nerves were out of order also.

"Vola-Tonic was recommended to me so highly that I got a bottle and started taking it. Before I had taken Vola-Tonic two days, I noticed a change all over my system. I could feel that I was getting stronger.

"I kept on taking Vola-Tonic and now I am much better in a great many ways.

"I know Vola-Tonic is a good medicine and I'm sure it would prove very beneficial in many cases like mine if taken according to directions.

Thousands of men and women who had influenza are still suffering from the nagging, energy-sapping after-effects of the disease. They have been unable to get back normal strength and health. In many instances ailing conditions of the stomach, liver or kidneys or distinctly worse since influenza came.

Vola-Tonic, "Builder of Strength," is what many of these men and women need. Vola-Tonic invigorates the entire system and builds up new strength and better health.

I Owe My Life to PE-RU-NA

Mr. McKinley's letter brings cheer to all who may be suffering as he was. Read it:

"I can honestly say that I owe my life to Peruena. After some of the best doctors in the country gave me up and told me I could not live another month, Peruena saved me. Traveling from town to town, throughout the country and having to go into all kinds of badly heated stores and buildings, sometimes standing up for hours at a time while playing my trade as mentioned. It is only natural that I had colds frequently, so when this would occur I paid little attention to it, until last December when I contracted a severe case, which, through neglect on my part, settled on my lungs. When almost too late, I began doctoring, but without avail, until I heard of Peruena. It cured me, so I cannot praise it too highly."

The Most Reliable Harvesting and Haying Machines

Chattanooga

The Most Popular Tractors, Plows and Tillage Implements

YOU know these trade names. Your father knew them before you, and your grandfather was familiar with two of them—McCormick and P. & O. They knew in their time and you know today, through long usage and satisfactory service, that there are no better farm machines and implements made than those bearing these trade names, which are guarantees of high quality and operating efficiency.

McCormick built the first practical reaper; Deering sold the first twine binder and introduced binder twine. Wm. Parlin

and the founders of the Chattanooga line were among the earliest plow pioneers. The lines started by these famous manufacturers have been constantly growing since their small beginnings and every new machine and implement that has been added has had built into it the accumulated years of manufacturing experience and farm knowledge acquired by the original founders and their successors.

And now, these time-honored, service-renowned lines have all been merged into one—the International Harvester—the cream of the farm machine world.

We Sell the International Line

What does this mean to you as a farmer? It means, first of all, that you can buy any farm machine or implement you may need, right here in this town, without taking chances on *experiments* or implements that might be "orphaned" one or two years after you buy them because of the manufacturer going out of business. You can always get repairs for any machine or implement in the International line because the Harvester Company will never go out of business. You are assured of reliable machines because every machine in the Harvester line is tried out and tested under actual farm conditions, before being offered for sale to the farmer. The Experimental Department of the Harvester Company is the most thorough and active institution of its kind.

It means, second, that you can get repairs and repair service

on all of these machines through one concern—us. You don't have to go to the bother and inconvenience of trying to get repairs and service from half a dozen or more different companies. You won't be taking chances on expensive delays waiting for repairs during the busy seasons because we are going to carry a big stock of repairs on hand and any repairs that we might not have we can get for you in a hurry by a 'phone call to the International Harvester branch house.

Tack this advertisement up in your machine shed so that whenever you need repairs for any of your International machines you will know where to go. Also, you will know where to go when you are in the market for new machines or implements of real quality and the highest operating efficiency.

Time is the best test of truth. Here is a Richmond story that has stood the test of time. It is a story with a point which will come straight home to many of us. Mrs. Nelson Ross, 419 Laurel St., Richmond, says: "My kidneys were weak and I had pains through my back and across my kidneys. At times I was nervous and dizzy. Doan's Kidney Pills, which I got at Middleton's Drug Store soon made me better. I have often recommended Doan's Kidney Pills to others and consider the a splendid remedy."

Louisville, Ky.:—"It is a pleasure to me to send this testimonial of what Dr. Pierce's Favorite Prescription has done for me for I honestly believe that it saved my life sixteen years ago. It was during expectancy and I was in a wretched condition of health, so that the doctor feared the outcome. My health improved from the first few doses of the 'Favorite Prescription' and in six weeks afterwards I became a mother and I was so well and strong that I was able to do my own housework right up to the last. I cannot praise 'Favorite Prescription' too highly, it is all that a woman could desire as a tonic during expectancy."—MRS. IDA SHEPARD, 720 W. Chestnut St.

I afterwards took Dr. Pierce's Favorite Prescription for inward trouble and bearing sensations and it cured me. I know, for I have had no sign of the trouble since. Try Taking Pepto-Mangan

It Isn't Sleep You Need, But a Good Tonic—More Red Blood

Everyone gets run down occasionally. Some times it's weeks before you get your energy, enthusiasm and happiness back again.

Any doctor will tell you to be careful in a time like this. Your body has little power of resistance, and the danger of catching some serious disease is great. Temporarily, your blood has too few "fighting" corpuscles.

It's the work of these same red corpuscles to keep you free from fatigue. Being constantly tired out—depressed in body and mind—is almost a sure sign that your blood needs help for a time.

Gude's Pepto-Mangan is a standard remedy in cases of anemia (or bloodlessness). It supplies the iron and other properties your blood needs to catch up with its task of keeping you fresh and alert in every fibre.

Pepto-Mangan has the hearty endorsement of physicians, is an agreeable tonic to take, and may be had at any drug store in either liquid or tablet form. Both have same medicinal value.

Be sure to ask for Gude's. There is only one genuine Pepto-Mangan, and the name "Gude's" should be on the package. It

THE PRICE GETS THE

Poultry, Eggs, Hides

We buy and ship more poultry, eggs, and hides than all other dealers in Madison county combined. We buy practically all the produce sold in this county and the fact that we pay the best prices for it easily explains why we buy so much. The fact that we have the best outlet explains why we can pay more than other dealers. Others make big claims about their paying prices but fall down when called to pay them. Call phones 132 or 363 for highest prices on poultry, eggs and hides.
